INFORMATION AND INSTRUCTIONS FOR STUDENTS INTERESTED IN APPLYING FOR FEDERAL FINANCIAL AID (Loans and Grants)

At Design Institute, we offer several different types of aid including, federal and state grants and loans, scholarships, federal work-study and Veterans Benefits.

All Financial aid is available for those who qualify.

The first step for all sources of financial aid (loans and grants) is completion of the Free Application for Federal Student Aid (FAFSA). Instructions to apply on-line are enclosed. Awards are determined by the information provided on the application.

Your dependency status is determined by the FAFSA. All dependent students must report both student and parent income on the application.

Below are 4 of the most available financial aid funds (loans and grants).

- **Federal Pell Grant** - based on demonstrated need. Awards range from $623.00.00 to $6,095.00 per year. Students with prior Bachelors Degrees are not eligible.

- **Federal Direct Subsidized Loan** - This provides need-based loan funding for eligible students determined by federal regulations. No interest is charged while the student is in school at least half-time. Repayment begins six months after graduation or if the student ceases to be enrolled in at least a half-time status. Loan limits range from $3,500 - $5,500 per year. The current interest rate is 5.05% on all loans with a first disbursement date before July 1, 2019.

- **Federal Direct Unsubsidized Loan** - This is not a need based loan. Interest is charged during all periods even when the student is in school. Regular repayment of principal and interest begins six months after graduation or if the student ceases to be enrolled in at least half time status. Loan limits range from $2,000 - $7,000 per year. The current interest rate is 5.05% on all loans with a first disbursement date before July 1, 2019.

- **Federal Direct Plus Loan** - Plus loans are for parents who need to borrow for their dependent child’s under-graduate education and for graduate/professional students. Parents with a good credit history may qualify for a Plus Loan, which allows them to borrow up to the total cost of education minus any other aid you receive. Interest is charged during all periods. Repayment begins 60 days after the loan is disbursed with the option of deferment until the student graduates or ceases to be enrolled in at least a half-time status. The current interest rate is 7.60% on all loans with a first disbursement date before July 1, 2019.

If you have any questions regarding financial aid, please contact our Financial Aid Director, Jackie Gloria at (858) 566-1200 or via Email at jgloria@disd.edu. I have also included the most frequently asked questions at the end of this packet.
FAFSA

The online FAFSA is a Web-based version of the U.S. Department of Education’s Free Application for Federal Student Aid (FAFSA). It enables you to apply for student financial aid over the Internet. Schools use your FAFSA information to determine if you’re eligible to receive money from federal grant, loan, and work-study programs. You can also use the online FAFSA to apply for financial aid from other sources, such as your state or school.

How to Use Online FAFSA

♦ Apply for a FSA ID by going to https://fsaid.ed.gov. An FSA ID is a username and password that you must use to log in to certain U.S. Department of Education (ED) websites. Your FSA ID identifies you as someone who has the right to access your own personal information on ED websites such as the Free Application for Federal Student Aid (FAFSA®) at www.fafsa.ed.gov.

If you are a parent of a dependent student, you will need your own FSA ID if you want to sign your child's FAFSA electronically. If you have more than one child attending college, you can use the same FSA ID to sign all applications. Please note: Each FSA ID user must have a unique e-mail address.

Complete your 2018/2019 FAFSA application at www.fafsa.ed.gov. Make sure to include Design Institute of San Diego in the college section of the application. Our federal school code is 016233.

♦ The FAFSA-IRS Data Retrieval Process takes you from the FAFSA application to the IRS. This tool will import your tax information directly to your application. If you are a dependent student both you and your parents will want to use this option. Make sure once your taxes are import not to make any changes to the information.

♦ Applicants who cannot use the IRS Data Retrieval Process will likely be selected for verification and if selected, they will later be required to provide tax transcripts obtained directly from the IRS.

♦ Students who are applying for a State Grant or Scholarship that has a deadline need to ensure the FASFA application is submitted before the deadlines.

♦ Submitting your FAFSA
Submit your application by selecting the “Submit my FAFSA Now” on the very last page of the form. Make sure you receive an instant “CONGRATULATIONS YOUR FAFSA ON THE WEB APPLICATION WAS SUCCESSFULLY SUBMITTED TO FEDERAL STUDENT AID” message to confirm your FAFSA has been completed. This page is your confirmation page that shows your confirmation number and estimated Expected Family Contribution (EFC). Print a copy of the Confirmation Page for your records. Your FAFSA will be sent directly to Design Institute within 5 days.

If you have additional questions regarding financial aid, please contact our Financial Aid Director Jackie Gloria (858) 566-1200 Email: jgloria@disd.edu
STEP 2
All Students to complete

Direct Subsidized and Unsubsidized Loan Process
For Dependent and Independent Students

On-line application instructions:

♦ Go to [www.studentloans.gov](http://www.studentloans.gov)

♦ Log in using your FSA ID

♦ Click on [Complete a Master Promissory Note](http://www.studentloans.gov)

♦ Click on [Subsidized/Unsubsidized](http://www.studentloans.gov)
(Direct Subsidized or Direct Unsubsidized Loans available to eligible undergraduate or graduate/professional students. Students must be logged in with their own FSA ID.)

♦ Complete the application

You will need to complete on-line entrance counseling to receive federal loan funds.

♦ After completing your Master Promissory Note return to the home screen

♦ Click on [Complete Counseling](http://www.studentloans.gov) (Entrance, Financial Awareness, PLUS, Exit)

♦ Click on [Entrance Counseling Required](http://www.studentloans.gov)

♦ Follow the instructions and proceed through the loan counseling

It will take approximately 30 minutes. Please make sure that you enter Design Institute of San Diego so we will receive a copy.

Helpful hints - When completing the entrance counseling there are a lot of examples with a two step process. Make sure you do steps one and two. All the questions on budgeting are examples you can estimate your expenses!

If you have additional questions regarding financial aid, please contact our Financial Aid Director, Jackie Gloria at (858) 566-1200 or via Email at jgloria@disd.edu.

Updated 7-1-2017
**STEP 3**
Parent to complete if the student is dependant (under 24, unmarried and no dependants)

**Direct PLUS Loan Process**

On-line application instructions:

- Go to [www.studentloans.gov](http://www.studentloans.gov)

- Your parent will need to have their FSA ID available to sign the Master Promissory note.

- Click on Log In (Make sure that the parent is logged in with their name, Social Security number, and FSA ID or the Master Promissory Note will be incorrect.)

- Click on Complete Direct PLUS Loan Master Promissory Note (MPN)

- Click on Parent PLUS (Direct PLUS Loans available to eligible parents of eligible dependent undergraduate students. Parents must be logged in with their own FSA ID.)

- Complete the application

If you have additional questions regarding financial aid, please contact our Financial Aid Director, Jackie Gloria at (858) 566-1200 or via Email at jgloria@disd.edu.
