

WHY TRANSFER TO DESIGN INSTITUTE OF SAN DIEGO (DI)?

We make transferring easy, and we invite you to complete a BFA in Interior Design at DI.

DI provides an inspiring, creative, collaborative, and student-centered environment while preparing responsible and thriving graduates who apply their knowledge, skills, and abilities to enrich the profession, the environment, and the global community.

TRANSFER STUDENT KEY BENEFITS

Affordability – Transfer Grant

- All new students (first time entering to DI) who have completed general education, or interior design college-level courses will receive a **one-time Transfer Grant of \$3,000**. The grant will be credited to the student account over two semesters for students enrolled in 12 units (or more) or credited to the student account over three semesters for students enrolled in 6 units or more.
- See www.disd.edu/grants for the fine print.

Personalized Financial Planning

- Personal financial planning assistance is available with Design Institute's Director of Financial Aid.
- Financial Aid is available for those who qualify.

Ease of Transition

- Individualized and streamlined undergraduate placement based on completed coursework aligned with the DI curriculum. Contact Admissions for your personal transfer evaluation.
- Studio placement is based on meeting transfer requirements outlined in the Academic Catalog.

Quick Facts

- Design Institute is regionally accredited by WSCUC. The Bachelor of Fine Arts in Interior Design (BFA) program is CIDA accredited.
- Intimate and creative college environment offering personalized attention and resources.
- Small class size with a 9:1 student to faculty ratio.
- Day and evening class options available.
- Real life projects and externship experience included in the curriculum.
- BFA degree consists of 132 units: 96 interior design units and 36 general education units.
- Liberal transfer policy – we do not want students to retake unnecessary courses.
- We have a history of excellent Student Outcomes. Please visit www.disd.edu/about-student-outcomes.php for current placement, graduation and employment information.
